

# CAREER SHADOW PROGRAM

## NOW ACCEPTING APPLICATIONS

The Career Shadow program is designed to provide current staff the opportunity to be an observer of healthcare professionals allowing the participant to learn about different healthcare areas of interest.

You will learn:

- Career options
- Education required
- Skills needed

The goal of the Job Shadow program is to connect the dots between the critical connection between, school, work, and goal attainment.

Employees must be employed for a minimum of 1 year and be in good standing with no corrective actions in their employee file in the last 6 months.

### What Next?

1. Identify department or healthcare professional you would like to shadow
2. Complete the Career Shadow Program Application located on the SVMC Intranet page
3. Sign the Observer and Confidentiality Agreement
4. Submit to HR
5. Expect an answer within two weeks.
