Visitation Guidelines
After passing COVID-19 screening:

Exemptions:

1. Visitors who are visiting a patient in critical condition, when death may be imminent.
2. In emergent situations
3. Parent or guardian visitors of pediatric patients
4. Person visiting for bonding visits including in-room stay with a newborn and hospitalized parent
5. Support persons for a patient with physical, intellectual, developmental disability or cognitive impairments are *only required to pass the initial COVID-19 screening*

These visitors must comply with the vaccine verification or applicable testing requirements as soon as reasonably possible, but no longer than 72 hours

Definitions:

Fully vaccinated: Individuals whose **second** COVID-19 vaccine dose (or single dose if Janssen vaccine) was given at least 2 weeks ago.

Incompletely vaccinated: Individual who has received **1** of 2 COVID-19 vaccine doses (Pfizer/Moderna)

Unvaccinated: Individuals who have not received any doses of COVID-19 vaccine.

Hospitalized parent: Parent who is admitted due to childbirth
