

## URGENT NOTICE

### Optum Rx COVID Home Test Kit Process:

- **Effective January 15, 2022**, COVID19 test kits will process through your pharmacy card at point of sale at the following pharmacies: **Walmart, Sam's Club and Rite Aid** for \$0 member cost-share. Walmart, Sam's Club and Rite Aid will be the Initial Retail Preferred Partner network. Optum is looking to expand the preferred network over time as other retailers become operationally ready.
- Test Kits not purchased via the Initial Retail Preferred Network will require a direct member reimbursement (DMR) claim. Members will pay out of pocket and submit a claim to OptumRx for reimbursement.
- Members can visit [optumrx.com/testinfo](https://optumrx.com/testinfo) to learn about our current preferred network pharmacies, which tests are covered, and how to submit a claim form.
- **Direct Member Reimbursement** will be capped at \$12 per test.
- Members will be limited to eight (8) tests per calendar month.
- No prior authorization or requirement around attesting to COVID Symptoms required for coverage.
- Members will not require a prescription to obtain test kits.
- Cost of test kits will not apply to member deductibles.
- Currently, the test kits available for point-of-sale adjudication, at the pharmacy counter, are provided below. The list will be updated on a regular basis as new products receive EUA clearance.
- **To submit to OptumRx you can use the attached claim form or complete an on-line claim form at: [optumrx.com/testinfo](https://optumrx.com/testinfo)**
