

## COVID-19 Guidelines for SVMC Board of Director's Open Session July 26, 2022, 5:00 pm

**JULY 25, 2022**

**INFECTION PREVENTION DEPARTMENT**

**GUIDELINES FOR MEETING ATTENDEES/GUESTS**

Sierra View Medical Center is committed to keeping our community safe from Covid-19 during this time of a high transmission within our community. However, we would also like to provide a way for our community to attend the open session of the Board of Director's Meeting. As a result, our Infection Prevention Department has provided rule (based on CDC guidelines) for safely attending the meeting on July 26<sup>th</sup>.

In order to attend the meeting as a guest or as a member of the media, the following guidelines must be followed:

1. Upon arrival at the Main Entrance, **check in** with the staff at the front desk and let them know that you are here to attend the open session of the Board of Director's Meeting
2. State if you are a representative of the media
3. You will be asked to **participate in a Covid-19 Screening** which will include taking your temperature and answering a few questions
4. Once you pass the Covid-19 screening, you will be given a green sticker that allows you to attend only the open session of Board of Director's Meeting
5. You must **wear a well-fitting mask**, regardless of vaccination status, that covers your nose and your chin and you must keep it on while at SVMC
6. Once you enter the conference room, you must **maintain social distancing** (at least 6 feet apart) and you may not remove your mask.
7. **Do not move chairs** as they have been placed specifically for social distancing
8. Use hand sanitizer or wash your hands often
9. *Everyone* is required to **adhere to the Covid-19 guidelines** while attending the open session

Feel free to contact the Infection Prevention Department at (559) 788-6121, if you have any questions about the guidelines for attending this public gathering.
